minds

Hello I'm Sarah Watson. I'm the
chair of Trustees for Carousel

I'm also a visual artist.

- I am also one of the founders of a project called CREATIVE MINDS.
- Creative Minds is a discussion about quality in learning disability arts.
- It is about how we break the barriers to the mainstream arts world

I'm Gus Garside, the national coordinator of Creative Minds

Introductions

- Please tell us your name
- And what organisation you are from (if nay)
- And what you do, are you an artist or performer, a teacher or something else

Today we want to have a discussion about leadership so our first question to you is..

What is a leader?

- What makes a good leader?
- What makes a bad leader?

Barriers to being a leader

- Difficult words
- Finding writing hard
- Being organised
- Being confident in dealing with problems
- Other people's judgement
- Being trusted

Sarah, have you ever been involved in helping another organisation to change how it involves people with learning disabilities

A big THANK YOU for joining in our discussion to day!
