

Sustained focus on cultural education

151 LCEPs

Local Cultural Education Partnerships established

At least

£24.3 million

attracted through Partnership Investment

The Impact of Bridge Organisations 2012-2023

Stronger educational specialism in cultural sector

Bridge Organisations worked with:

all National Portfolio Organisations

that took young people as a strategic focus

and

87% of all Art Council England's National Portfolio Organisations

Wider access to culture through schools

59% of all schools

actively engaged with Bridge Organisations

20.2% of schools

have begun an Artsmark journey

1.9 million children

have enjoyed a richer creative curriculum through Artsmark

Reflecting on the future of cultural education

The network of regional Bridge Organisations achieved **huge impact** for young people's cultural education. Policy makers and funders must recognise what can be achieved through coordinated local brokerage and knowledge.

Read Section 11 'Reflections on the Bridge Role and Network' in the report 'The Bridge Network (2012-2023)' by Dr David Parker.

ARTS COUNCIL ENGLAND

Impact data gathered from the 10 Bridge Organisations in 2023.
