

Young Associates

To apply for this year's Young Associates programme please complete the online application form [here](#). As well as providing your personal details in Part 1, there are four main questions for you to answer in Part 2. It may take some time to complete and we don't yet have capability for you to save and return to the online form mid-completion. You may, therefore, wish to prepare your answers in advance by using this document. The suggested word count for each question is around 250 words. The suggested audio length is 1- minutes.

Please note that answers submitted via a Word document will not be considered.

Current / Recent Activities

Please tell us about what you have been up to most recently. For example, are you studying, working, have you recently finished something that you were involved in, etc. What arts activities are you involved in? What is your experience so far of working with children and young people?

Leadership Experience

Please give a brief outline of your previous or current experience of leadership within an arts organisation, school or youth work setting. This could be leading a workshop, small event or project – whatever that looks like for you, we want to hear about it.

Personal Statement

Why would you like to be a Young Associate for Curious Minds? What interests you about this opportunity?

Skills and Experience

What skills and experience can you bring to the programme? For example, are you a really strong communicator that works well with other people, are you creative when solving problems. We are not looking for a polished professional, we are looking to understand your starting point.
